Institution Najran University	Date of Report 19/8/1438
College College of Applied Medical Science	Department Department of Medical Rehabilitation Science
Program Physiotherapy Program.	Track

A. Field Experience Course Identification and General Information

1. Field experience course title and code Clinical Practice -3 (PHTH407)			
2. Credit hours (if any) 4 Hours			
3. Name and title of faculty or teaching staff member responsible for the field experience. Reyaz Ahmed			
4. Dates and times allocation of field experience activities a. Dates: Thrusday(every week) b. Times: from 8 am to 4 pm.			
5. Level or year of the field experience Final year / 8th level			
6. List names, addresses, and contact information for all field experience locations.			
	Name and Address of the organization	Name of Contact Person	Contact Information (email address or mobile)
a.	Physiotherapy Clinic Najran University	Reyaz Ahmed	0595294493
b.			
c.			
d.			

B. Field Experience Modifications or Adaptations from Planned Field Experience Specifications

	Reason for Modification	Action Taken	Responsibility	Implications for Future
Student Enrollment	Non	Non	Non	Non
Field teaching Staff	Non	Non	Non	Non
Program Faculty or Teaching Staff	Non	Non	Non	Non
Organizational Arrangements	Preparation for students ID	No action yet	H.D	Under request
Required Activities	Non	Non	Non	Non
Student Guidance and Support	Rehabilitation Centers visit	We will request	Dean Ship	Non
Learning Outcomes	Non	Non	Non	Non
Other	Preparation increase final exam time for students .	No action yet	H.D	Under request

C. Results النتائج

1. Number of students starting field experience:	10	Student completing	10
--	----	--------------------	----

2. Distribution of Grades

Letter Grade	Number of Students	Student Percentage	Analysis of Distribution of Grades
A	0		
B	3	30%	These students have good communication skills and are very good in patient assessment and shows good team work and they have done well in exams.
C	05	50%	These students need to work more on their practical knowledge and are fair in exams.
D	02	20 %	These students are poor in basic knowledge and in patient assessment and need to work on it.
F	0	0 %	
Denied Entry	0	0 %	
In Progress	0	0 %	
Incomplete	0	0 %	
Pass	10	100 %	
Fail	0	0 %	
Withdrawn	0	0 %	

3. Analyze special factors (if any) affecting the results

Most of the students showed to minimal to moderate knowledge required to meet the ILO's of the course

D. Administrative Issues

1. Organizational or administrative difficulties encountered (if any) None	2. Consequences of any difficulties experienced for student learning in the field experience. Students lack basic knowledge related to course and they are struggling with English language. Students are not aware much about the modalities used in physiotherapy.

E. Evaluation of Field Experience Activity:

1. Student evaluation of the field experience (Attach summary of survey results) Survey results report was attached. Average:4.37 (Excellent)
a. List the most important recommendations for improvement and strengths weakness According to the students evaluation are: <ol style="list-style-type: none"> 1- Clarification for the students about office hours. 2- Teach the students to improve their ability to think and to solve problems instead of keeping information.
b. Response of instructor and field staff to this evaluation <u>I will try to improve all recommendation lists above during the next semester.</u>
2. Other Evaluation (e.g. by head of department, peer observations, accreditation review, other stakeholders) None
a. List the most important recommendations for improvement and strengths None
b. Response of instructor and field staff to this evaluation None

G. Planning for Improvement

1. Progress on actions proposed for improving the field experience in previous field experience reports (if any)			
Actions recommended from the most recent field experience report(s)	Actions Taken	Action Results	Action Analysis
a. Closer observation and follow up of students who achieved less than 60% of the periodical exam marks.	More attention was given to those students to elevate their scores.	Achieved higher scores.	The extra sessions benefit the weak students and increase their educational attainment.
b. Encourage student to attend out-patient physical therapy clinic to substitute for the lack of clinical cases in some training facilities.	Some students participated in treating patients in physical therapy clinic.	Practical skills of those students were improved.	Practical training increases the awareness and skills in those students.

2. List what additional actions have been taken to improve the field experience (based on previous field experience reports, surveys, independent opinion, or evaluation). -Most students were asked to attend and share patients treatment in physiotherapy clinic under close supervision.

3. Action Plan for Next Semester/Year				
Actions Recommended for further improvement	Intended Action Points (should be measurable)	Start Date	Completion Date	Person Responsible
Update students with required basic sciences knowledge, I will instruct the students to review (muscle chart, therapeutic exercises, electrotherapy) at beginning of semester.	Reading, anatomy references. Quizzes Discussion Midterm exam	1438-1439 First semester	1438 -1439 first semester	Reyaz Ahmed

Teach the students to improve their ability to think and to solve problems by clinical decision making lecture.	Review evidence based practice. Quizzes Midterm exam	1438-1439 First semester	1438 -1439 end of first semester	Reyaz Ahmed
Clarification for the students' for teacher office hours.	Clear announcement of teacher hours	1438-1439 First semester	1438 -1439 end of first semester	Reyaz Ahmed
Explain to the student the link between this course and with other courses.	Assignment	1438-1439 First semester	1438 -1439 end of first semester	Reyaz Ahmed
Performing a lot of periodical oral and practical exams.	Quizzes Midterm exam	1438-1439 First semester	1438 -1439 end of first semester	Reyaz Ahmed
